

I would like information about your council's staff positions in relation to climate action for the Council Climate Action Scorecards. This information is most likely to be held by a HR department or similar. In particular, please supply me with information relating to the following questions:

1a) How many staff does the Council directly employ (excluding contractors or subcontractors, and excluding teachers), that work directly for the Council as opposed to a school, leisure centres or other venture?

Headcount = 5035

1b) How many directly employed staff spend 3 or more days per week (0.6 Full Time Equivalent (FTE)) on implementing the Climate Action Plan or other climate change projects? Please provide a list of all the roles. Please exclude waste management staff unless they are specifically working 3 or more days per week on implementing the Climate Action Plan or other climate change projects.

3no. FTE and 1no. PTE

- Climate Change Manager
- Climate Strategic Officer
- Climate Engagement Officer for Communities
- Environmental Education Officer

*If you have answered yes to have a biodiversity planning officer and/or a retrofit staff member below, both these staff members can be included in this question even if they are contracted.*

*This is likely to include all staff in your climate/sustainability team, such as Climate Change Officers or similar. This may include full time staff who spend 60% of their time on climate change projects and 40% of their time on other work.*

*You might include other staff in other departments, such as a procurement officer if they are spending 3 or more days per week (0.6 FTE) on writing and implementing a sustainable procurement policy or a planner that is working primarily on low carbon policies for new buildings.*

2) Does the council have one or more staff member who works on home energy efficiency retrofitting, such as retrofit officers or project managers across the council area, for 3 or more days per week (0.6+ FTE)? This can include both directly employed and contracted staff, provided they work 3 or more days per week (0.6 FTE). The work of this officer may include working on any retrofit projects, including council buildings, council homes or private rented or owned households.

No

*Please list any roles that work in this area, including the full time equivalent (FTE) if they work part time.*

*Please include staff members that are shared with other councils, such as between county and district councils, and note if they are shared across other areas.*

3) How many planning ecologists (ecologists within the planning department) or equivalent working for 3 or more days per week (0.6+ FTE) does the council employ to scrutinise planning reports for Biodiversity Net Gain? This can include both directly employed and contracted staff, provided they work 3 or more days per week (0.6 FTE).

None
