

Request

I came across the available data on aggregate social housing stock and Right-to-Buy sales at local authority level. However, more detailed information would be of great assistance in answering my research question. Therefore, I hereby submit a Freedom of Information request. I would like access to more detailed data, i.e. at a finer geographical level, on social housing stock and Right-to-Buy sales in the Council area for the period 1980-2021. Ideally, the data would follow the following format:

- 1) Variable of interests:- Properties sold under Right-to-Buy and Social/Council housing stock
- 2) Geographical unit:- As granular as possible (eg. full postcode or full address)
- 3) Time unit:- As granular as possible (eg. Date)
- 4) Period covered:- As large as possible between 1980 and present time.
- 5) Area covered:- As large as possible (eg. all properties managed by the Council at any point in time)
- 6) Additional information:-discount applied, property valuation, actual sale price, number of bedrooms, or other characteristics.

Preferred - File format: .xlsx (Excel) or .txt
