

I'm interested in hearing more about the Household Support Fund. I would like to know the following:

- 1) The number of applications to the Household Support Fund during the 12 months to 31<sup>st</sup> December 2022.

For this period, we made awards totalling 118,176. We do hold the information – but to extract the information would entail a manual trawl of all applications. This figure represents a blend of customer and professional applications with other proactive non application methods.
- 2) The monetary amount of support provided to applicants to the Household Support Fund during the 12 months to 31<sup>st</sup> December 2022.

£6,385,801
- 3) The number of successful applicants to the Household Support Fund during the 12 months to 31<sup>st</sup> December 2022.

118,176. This figure represents a blend of customer and professional applications with other proactive non application methods. We do hold the information – but to extract the information would entail a manual trawl of all applications.
- 4) If possible, I would also like to know the outstanding monetary amount from the Household Support Fund that is available before the scheme ends on 31<sup>st</sup> March 2023.

£114,663
