

Request

I would like to make the following request under the Freedom of Information Act 2000:

- 1) Number of potholes recorded in January each year since 2018.
- 2) Average time (days/weeks/months) taken to repair each pothole each January since 2018.
- 3) Number of potholes recorded as repaired in January each year since 2018.
- 4) Compensation paid out for damage caused by potholes in January each year since 2018.

- 5) Number of potholes recorded in February each year since 2018.
- 6) Average time (days/weeks/months) taken to repair each pothole each February since 2018.
- 7) Number of potholes recorded as repaired in February each year since 2018.
- 8) Compensation paid out for damage caused by potholes in February each year since 2018.

- 9) Number of potholes recorded each year since 2018.
- 10) Average time (days/weeks/months) taken to repair each pothole each year since 2018.
- 11) Number of potholes recorded as repaired each year since 2018.
- 12) Compensation paid out for damage caused by potholes each year since 2018.

Response

Please see attached spreadsheet.

Note - All data provided is for carriageway defects not just potholes
