	<p>Is it possible to have a list of councillors with the number of Members Enquiry's they have placed from May 2022-January 2023 also how many per ward.</p>	<p>Please see the attached excel document.</p> <p>Note that this list includes all councillors who have been elected during this period. Some may no longer be in this role due to personal circumstances or election results, and some may be new to the role and not been using the system as long as others.</p> <p>Councillors also actively encourage residents to access our online reporting services themselves where possible and support them where needed with any follow up requirements via the Members Enquiry system on their behalf.</p>
