

Request

I am writing to make a Freedom of Information request for all documentation, project plans, and business cases related to the implementation or upgrade of your local intranet between the period 2017 to 2022.

I request all information in any form, including but not limited to reports, emails, presentations, project plans, and business cases. The requested information should include any plans or proposals for the implementation and upgrade, any decisions or approvals made, and any reports or updates on the progress of the projects during the specified period of 2017 to 2022.

Response

We have not implemented or upgraded our local intranet during this time.
