Response

Attached Excel document contains the details requested.

Average progress scores in reading, writing and maths is not available yet for 2023 and once published will be publicly available here: [Find and check the performance of schools and colleges in England - GOV.UK \(www.gov.uk\)](#). There were no scores in 2022.

Number of unauthorised absences is only known for LA school and provided accordingly.

Teacher student ratio is publicly available here: [Find and check the performance of schools and colleges in England - GOV.UK \(www.gov.uk\)](#)

Number of violent incidents is not held by the LA and so the requestor will need to contact the schools directly for this information.
