

**Request:**

How many schools in your area have had a sewage leak on their premises in each of the last five school years starting in:

- a) 2018
- b) 2019
- c) 2020
- d) 2021
- e) 2022.

For each incident, please tell me:

- The name of the school
- Where on the premises the leak was
- Whether the school or part of the school had to close and how long for.

**Response:**

Information not held. You will need to contact the schools directly to obtain this information.
