

- 1) Please provide:
 - (a) the budget allocated for roads in general (including repairs, resurfacing and traffic lights and
 - (b) the budget allocated specifically for pothole and road repairs for each of the following financial years: 2018/2019; 2019/2020; 2020/2021; 2021/2022 and 2022/2023.
- 2) For each of these annual budgets, please provide a figure for how much of the sum was funded by the council and how much is provided by central government funding.
- 3) For each of these annual budgets for both:
 - (a) roads in general and
 - (b) potholes and similar road repairs, please provide a figure for how much was spent on pothole and road repairs.
- 4) For each of these annual budgets for both:
 - (a) roads in general and
 - (b) potholes and similar road repairs, please provide a figure for how much was spent on road resurfacing.
- 5) For each of these annual budgets for both:
 - (a) roads in general and
 - (b) potholes and similar road repairs, please provide a figure for how much was spent on non-road related spending and a brief summary of what this was – ie care.
- 6) For each of these annual budgets for both:
 - (a) roads in general and
 - (b) potholes and similar road repairs, please provide a figure for how much money is or was left over by the end of the financial year

Please see attached document FOI15105 for response to this FOI.
