

## **NCCIS**

Does the local authority produce and submit their own NCCIS return to the Department for Education? If yes:

1. Which software supplier do you use?
2. When is the contract due to end?
3. How much does the local authority spend on annual maintenance for the solution?
4. What is the contract length?
5. What is the total contract value?
6. How many software releases are you provided with per annum?
7. Are you on the current release?
8. Do you use third party providers to contact and track young people, if yes, which one?

Core+ - see below

## **Youth Justice**

1. Which software supplier do you use?
2. When is the contract due to end?
3. How much does the local authority spend on annual maintenance for the solution?
4. What is the contract length?
5. What is the total contract value?
