

Request:

Please can you send me a list of the third-party software that you use for processing and assessing planning applications, including:

- The names of providers (e.g. Idox, Def)
- How much you pay for this annually.
- Length of the contract.
- When the contract is due to finish.

Response:

- Idox Uniform, Civica W2, ESRI GIS.
- This information is available in the public domain as Open Data - **Spends over £500**: <https://www.wigan.gov.uk/Council/DataProtection-FOI-Stats/Open-Data.aspx>
- All contracts are reviewed annually on a 12-month rolling basis.
