

I would like to know exactly how much money was used from the Brighter Borough Fund from all Cllrs to help set up the Bryn Community Shop including that which was allocated to the Diamond Community Support Centre on behalf of the Bryn Community Shop and what was the full breakdown of those costs via receipts for all goods and services paid for through the BBF (copies of receipts would be appreciated).

With regard to the use of BBF money for signage, did this include the Councillor Steve Jones Surgery sign (Expenditure FOI 14948 - 5770)?

Does Wigan MBC have any oversight on the current Bryn Community Shop project at all in regard to running costs and profits from sales while it remains extant

Also has there been any WMBC BBF audit checks conducted as to the spending of this money for this project?

Attached is a report showing the 2 grants that make reference to the Community Shop.

In regard to grant reference 5910, only £300 of the £1000 grant relates to the equipment for the community shop. The remaining £700 is unrelated to the community shop.

Receipts are attached for both grants.

We are not aware of any contributions a surgery sign.

Wigan Council has no involvement with the community shop.

All receipts for any BB funds have been received and are correct (they match the items that the BB funds were allocated for)
