

## **Request**

As per my records, Manchester Working Ltd lift contract has expired. I would like to know whether this contract is still valid or replaced by any other supplier.

If all the information besides the contract dates are the same, I am happy to just receive an update on the contract dates

## **Response**

The contract with Manchester Working expired in 2019 and a new contract was tendered in July 2019 based on a three-year contract with a one-year extension subject to performance.

The new contract was let and started in October 2019 with Ascendant Lifts. The one-year extension was agreed in October 2022. The current contract is due to end on 31<sup>st</sup> October 2023.

Due to the contract coming to a close, a new tender exercise has recently been published on The Chest so that a new contract can be put in place ready for the end of the current contract.
