

I am interested in researching the issue of the Inspection of Accounts rights under the Audit Act 2014, to see if or how it is being used across local government in the UK. I wanted to ask for data, between 2019/20 and 2022/23 for:

1. If the accounts were published in those years. Publication dates all met the statutory deadline for the financial year.  
2019/20 – Published 25/08/2020  
2020/21 – Published 30/07/2021  
2021/22 – Published 29/07/2022  
2022/23 – Published 31/05/2023
2. Number of people who inspected the accounts in the time periods each year. Numbers viewing the document online are not recorded. No requests to view supporting documents at the Town Hall.
3. Number of requests/questions asked, and what they were/what areas they covered. N/A
4. Number of objections raised, and what they were. N/A
5. Any FOI requests relating to the accounts or finances (*with the phrase 'accounts' of 'inspection or statement of accounts'*) None using criteria given
6. Any changes made to the accounts as a result. N/A
