

Coronation Parties

1. Has your council applied for funding from the National Lottery to host a Coronation party? If yes, please give details on how much was awarded and for what.

The funding is for local community groups so it is the groups that should apply for such funding as indicated in Baroness Scott's letter. The council has however promoted the fund and encouraged groups to apply.
2. Will your council be having a Coronation party which is organised by the council; meaning paid for, hosted, and attended by a council representative, for example a mayor or council leader?

Yes, at the moment we are in the planning stages, but we do intend to host two events over the course of the weekend, both of which will be attended by official representatives including the mayor and leader.

For reference, here is the letter from Baroness Scott I am referring to:
