

This is a question about the Members Enquiry System following my previous request - I am requesting an update of data.

Can you give me the latest number of submissions that each Council Member has made on the Councils enquiry system (MES). Please include how many of these enquiries have been satisfactorily resolved?

Please see table below.

*I think we need to be clear again that this is not a true reflection of the work that is done by councillors for their ward. Not everyone has held their seat for the full 12-month period for various reasons and some use the system more than others as explained in the response.

The update of this data was pulled from the system on the 13/03/23 and is accurate on that date.
