

Request

I would like to see the results of the survey regarding the Golborne and Lowton active neighbourhood plans. A recent letter stated there was a positive response, I would like to judge that for myself prior to local elections

Response

As per the letter titled 'Update on the Golborne Active Neighbourhood Scheme' which was posted to residents w/c 20th February 2023 (copy of this letter is on the following page), a survey was carried out for the Golborne Active Neighbourhood scheme in Spring 2022. This survey was led by Transport for Greater Manchester and the results were analysed the consultant team for the scheme, Arup Group. Please find attached - the data that was collected from the survey.
