

Request

In the past year up to February 1, 2023, have you set up a damp and mould task force/ team?

If so, when did you set it up?

How much money have you set aside/do you anticipate the task force/team will cost in the first year from its launch?

Response

Yes

21/11/2022

There is no cost to the team as it is made up of existing staff resources.
