<p><i>Background - I am following up a query relating to my late father's estate. My father used to run a small business from 591/593 Liverpool Road, Platt Bridge.</i></p>		
<p>My understanding is that a compulsory purchase order was made on the buildings. I don't have the date but probably 1980s, possibly late 1970s. The buildings are now demolished.</p> <p>Please can you let me have information relating to the address 591/593 Liverpool Road, Platt Bridge, especially relating to compulsory purchase and demolition of the buildings.</p>		<p>We can confirm that the Council does not own (and has never owned) the former sites of 591/593 Liverpool Road, Platt Bridge. They were not included in a CPO.</p> <p>We hold no information about the demolition of the buildings.</p>
