

Request

Under the Freedom of Information Act, I would like to request the following information regarding Fair Cost of Care reports completed by local authorities.

I would like to request an Excel spreadsheet presenting Annex B of the Fair Cost of Care report for 65+ care home placements.

In Annex B, the Fair Cost of Care reports should present one table for the costs of each of four home types:

- 65+ care home places without nursing
- 65+ care home places without nursing, enhanced needs
- 65+ care home places with nursing
- 65+ care home places with nursing, enhanced needs

Annex B should present the lower quartile, the median, and the upper quartile for every item.

Where possible, please kindly include responses on the attached Excel spreadsheet.

Response

Please find below the link to Wigan Council's published Cost of Care report for 65+ care home provision (Annex B), which includes tables listing the median, lower quartile and upper quartile costs for each of the four care categories.
