The Creative Directors AL and AL are commissioned for re-design of Haigh Hall, they do appear to have a website or be registered in AL and AL as a company name with Companies House.

I would like to know the name of their registered company and details of the tender process that gave this very lucrative, high profile contact.

AL and AL are in Twitter as: AL00100110AL and on Instagram at: @al00100110al Both are recently established accounts and offer no information on their historic profile of work that would support them in being offered this information.

Response

Multiverse Pictures Limited.

Al and Al were commissioned as Creative Directors for the Haigh Hall project to assist with the development of a masterplan successfully bringing £20m of external grants to the council, borough and Haigh. They were commissioned directly by Plincke as a sub-contractor following a public procurement process for professional expertise for Haigh Hall development projects.

As the masterplan developed to the stage of submitting a £20m bid to the government's levelling up fund, Wigan Council directly contracted with Multiverse Pictures Limited for the finalisation of the submission and development.
