

NHS Digital shows that for the year 2021/22, Wigan Council received £32,224K income from the NHS for adult social care. Could you please provide me with the following information under the Freedom of Information Act

1. How much of that income was from the Better Care Fund
2. How much of that income was spent on long term care

1. £18,821,996
2. £7,848,659
