

Request

- 1) Since the council element of council tax has been raised, how much extra will the 2.99% raise bring in.
- 2) Furthermore, what is the total revenue raised on all properties by way of council Tax and Business rates in the following wards Ashton in Makerfield South Astley Atherton North Atherton South and Tyldesley Bryn with Ashton In Makerfield North Golborne and Lowton West Hindley Green Leigh Central and Higher Folds Leigh South Leigh West Lowton East Tyldesley Mosley Common

Please backdate these figures for the past 4 years

Response

- 1) £4.066m
- 2) Please see attached spreadsheet. Please note that we are unable to report the revenue raised as per your request but have provided a list of post codes per area and divided the total income by the properties to get an average per area. We are only able to report currently and are therefore unable to provide figures for previous years.
