

## **Request**

I want to know the names of elected Wigan councillors who have not paid or are not up to date on their council tax payments.

Additionally, I would like to know how much they owe in council tax to the Council please and how long it has been since their last payment.

Could I have the information set out as such: Councillor name, how much owed, date of last payment made

## **Response**

Cllr James Fish

Amount owed: £1,237.36

Last Payment received: 15/10/22
