

Request

I wish to request information about the Household Support Fund and I have provided an excel spreadsheet containing 14 questions.

All amounts should be presented in Pounds Sterling (£), to the nearest whole pound, and should include amounts for all four rounds of HSF funding to date. If HSF4 (2023/4 allocations) have been allocated, but not yet distributed or spent, please include this in the total provided.

Response

[Please see attached completed Excel document](#)
