

Request:

I would like to know the amount of money Wigan Council has taken from parking fines across 2020, 2021 and 2022. Could I please also get the number of fines distributed in this time.

Could I have the data broken down year by year as follows:

- Year
- Number of parking fines
- Total amount accrued from parking fines

Response:

2020: 9398 – £259,878

2021: 10504 – £294,707

2022: 13196 – £375,677
