

**REQUEST 15726**

Could you please send me the following information:

The top 10 most borrowed books at your libraries in the each of the last five calendar years: 2019, 2020, 2021, 2022 and 2023 (to the latest available date).

I'm asking for one list for each year - in other words, the top 10 across all your libraries, not individual top 10s for each library.

If any of this information is already in the public domain, please can you direct me to it, including website links as appropriate.

**RESPONSE:**

Due to a system change in early 2023, loan data is only available for 2022 and current year to date.
