

REQUEST	15763	RESPONSE
	<p>The council has highlighted plans to enforce its Traffic Regulation Order powers across Wigan. I was eager to know whether these projects involve the implementation of Automatic Number Plate Recognition (ANPR) cameras. And if so, how much funding the council has put behind this project. And what the timeline of this funding is</p>	<p>I can confirm that the Council is planning to use government approved ANPR cameras to enforce moving traffic offences.</p> <p>The capital budget for this project is around £110k and it is anticipated that this will project will commence on site within the next 16 weeks.</p>
