

## Request

I would be most grateful if you would provide me, under the Freedom of Information Act, the following information regarding your facilities management approach:

A tiered hierarchy of people within your organisation that are responsible for Estates, Property, CAFM (*Computer-Aided Facilities Management*), Finance and Facilities for your organisation.

Please provide their name, job title and email address where possible. i.e. Estates Directors, Facilities Managers, Operations Directors etc.

## Response

Please see below. The council will not release details of staff members below Third Tier and so just job titles are shown. Facilities Management together with Estates and Property all fall within the remit of Director for Place and so we have included Mr Thatcher's contact email. The Third Tier position (Assistant Director for Housing and Property is currently vacant).
