

Request

1. How many pupil referral units (PRUs) or other alternative provision (AP) in your area are in deficit or are projecting a deficit in the next year?
2. What is the average funding PRUs/AP receive per pupil in your area?
3. How many permanent exclusions were there in your local authority area in the following academic years: 2018-19, 2021-22, and 2022-23?
4. How many students are waiting for PRU/AP places currently in your area?

Response

We do not have a PRU. Our local AP provider is an academy so any financial information would need to be requested direct from them.

As our commissioned provider we have an agreement with our local AP academy. As with question 1 this financial detail would need to be sourced from them.

Permanent exclusions from mainstream schools:

2018-19 = 80

2021-22 = 90

2022-23 = 97

2 pupils are currently awaiting provision locally.
