

I am requesting the following information under the Freedom of Information Act.

In this request, 'council housing' includes housing built/owned by ALMOs, and includes both new-builds and acquisitions, but not renovations/refurbishments of existing council housing units (unless it involved demolishing old units and replacing them with new-builds).

This request is not asking for 'net' figures – so for question 3, if the council added 50 new council housing units between 2011 and 2015 but lost (through whatever route) 45 council housing units during that period, the response to question 3 would be 50, not five.
