

I would like to request the following information in relation to complaints made to the Environment Dept of Wigan Council regarding the Three Sisters Race Track between 2018 and the present date. I would like to know:

1. The number of complaints made. Records indicate that since 2018 the Council has received 89 noise complaints, including a number of anonymous complaints.
2. The nature of that complaint, for example those that relate to "Drifting", general noise etc. Complaints related to a range of events, including drifting, motorcycle, track attack.
3. The number of those complaints responded to. All non-anonymous complaints have been responded to.
4. The number and dates of actions taken against the Race Track as the result of those complaints. A noise abatement Notice was served on the operators on 21st December 2020.
5. The nature of those actions. The noise abatement Notice required that the noise nuisance at a residential property on Bryn Gates Lane, Bryn, Wigan, be abated within 2 months of the date of the notice and also to prohibit the recurrence of the nuisance.
6. The number and dates of Action Plans or similar which were formulated and served upon the Race Track. No action plans have been served on the race track, however, the track management have implemented a noise management plan.
7. Any breaches of those Action Plans. N/A
8. How many visits have yourselves have been made to the race track by way of monitoring these complaints? 22 visits have been made since 2018. These include monitoring visits to complainants houses, the area in general and to the circuit itself for meeting with the management.
