

**Request:**

I request the following information:

- The number of children that have gone missing from care in Wigan in the past 10 years, as well as their ages

For this, I mean the number of children in care who have gone missing from care, as opposed to being away from placement without authorisation.

If data could be provided on a financial year basis and ages provided at 31 March for each financial year, that would be ideal.

**Response:**
