

Request:

I request what extra money any Cllrs get to be the deputy mayor and also mayor. The money could be an allowance and or clothing allowance plus any other funds they are entitled too.

I also ask how much each deputy and mayors consort get in terms of extra allowances, money for clothes and any other money allowed to be claimed.

Response:

Mayor's allowance is £18818.00

The Deputy Mayor's allowance is £6273.00

The allowance is to meet mayoral expenses and payment for clothing for the Mayoress or Consort will need to come out of the Mayor's/Deputy's allowance.
