

Request

1. It is my understanding that Wigan Borough Council is a registered company (OC412490), address Town Hall, Library Street, Wigan, Lancashire, WN1 1YN. Can you confirm that this information is correct? And/or provide me with the correct company registered number and address?

2. I would like to know whether Wigan Borough Council pension funds are invested in any of the following company's or subsidiaries there of:
 - BAE Systems - Company number 01470151
 - Lockheed Martin - Company number 00585852
 - AWE/Aldermaston - Company number 02763902
 - General Dynamics - Company number 01911653
 - Northrop Grumman - Company number 05989428
 - Raytheon - Company number 00406809

3. I would like to know if Wigan Borough Council has invested in the installation of 5G technology? And if so, have Wigan Council done a full and detailed risk assessment, including of impact of public health of such technology and sought the public liability insurance?

4. I would like to know the amount of money invested by Wigan council into the following:
 - a) Covid 19 posters, flyers, billboards and signage/ advertising
 - b) Covid 19 enforcement offices, wages and equipment
 - c) Covid 19 test centres staffing and equipment

Response

Wigan Council is not a company. It is a local authority created by Local Government Act 1974. The company number cited belongs to a limited partnership that has a registered office not within Wigan

Greater Manchester Pension Fund administers the pension on behalf of Wigan Borough Council. Therefore, Wigan do not hold this information.

The Council has not invested in the installation of 5G Technology as of 26th October 2023.
