	<p>Please can you provide information regarding permission given for the parcel collection service at the front of Wigan Sea Cadets, Molyneux House, School Lane, WN1 3SE. The building is leased to the Sea Cadets and owned by Wigan Council. The Parcel Collection box is highly illuminated.</p>	<p>There is nothing in the lease that would prevent the Armed Forces HQ from having such a locker installed.</p> <p>No planning application has been received to date and the Council is liaising with the installer to determine whether any permission is required.</p>
