

Request:

I am writing to kindly request a list of C1 buildings within the borough for a research project I am currently undertaking. I would greatly appreciate your assistance in obtaining this specific data.

Response:

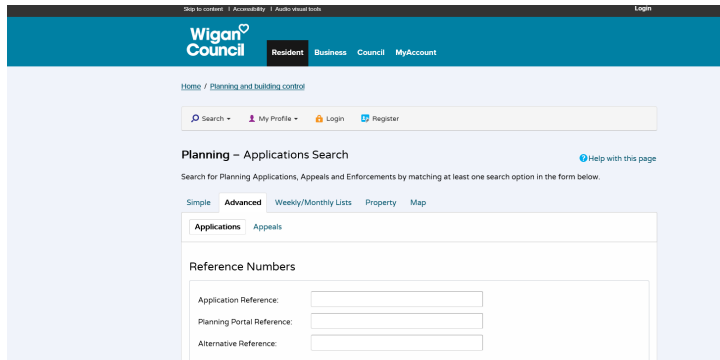

This information is available via the Council's website. Please click on the following link <https://www.wigan.gov.uk/Resident/Planning-and-Building-Control/Planning/Search-planning-applications.aspx>

The Council's Website will only reveal details of properties where explicit planning permission has been granted – we do not hold records of uses that are long established and have never required planning permission.
