

I would be most grateful if you would provide me, under the Freedom of Information Act, the following information regarding the arrangements for the management of sanitary waste from washroom facilities to the point of disposal from Wigan Metropolitan Borough Council owned or operated buildings.

1. Which organisation do you have a contractual agreement with to carry out this service? 1. Citron
2. What is the actual spend on this contract/framework (and any sub lots), from the start of the contract to the current date? 2. This information is available on the council's contracts register which is held within our Open Data (under Spending & Finance) in both Excel and PDF formats: [Open data \(wigan.gov.uk\)](#)
3. What are the start date and duration of the framework/contract? 3. 1<sup>st</sup> October 2019 we are hoping to retender these works before the end of 2023.
4. Is there an extension clause in the framework/contract and, if so, the duration of the extension? 4. See question 3.
5. What is the final disposal method for the sanitary waste collected? 5. Citron Hygiene have advised they are actively exploring non-landfill treatment options as part of our plan to reduce our environmental impact and dispose of waste effectively and sustainably. But confirm as it stands the waste from Wigan goes to Landfill.
6. Who is the senior officer/representative (outside of procurement) responsible for this contract? 6. Aidan Thatcher
