

REQUEST 16330

1. What is the total number of individuals employed as Covid Marshalls since 1st March 2020?
2. What was the average contract duration?
3. What is the total number of Covid Marshalls, currently employed?
4. What is the total cost spent on Covid Marshalls since 1st March 2020?

RESPONSE

There were 7 full time equivalent employees seconded into roles that performed equivalent functions to a Covid Marshall as part of a wider role.

There was nobody specifically employed on a Covid Marshall contract.

0

£416,293 was spent on the equivalent of a Covid 19 Secure Marshall.
