

We understand that you have a number of residential tower blocks of four floors and above are owned by you as the Local Authority and used for social housing.

We are requesting the following information on these tower blocks:

- The number of residential tower blocks of four floors and above that you own and operate for social housing and the name and addresses of the properties.

15 Blocks in total. See list below (also provided in attached Excel document).
- For each tower can you provide details of planned improvements to the heating and hot water heating provision as part of your programme to improve the energy efficiency of heating and hot water.

There are currently no planned programmes to improve heating/water provision at these blocks, as part of our programme to improve energy efficiency.
- For each tower can you specific the timeline for any heating and hot water upgrades, the type of heating and hot water provision that is planned and the name and contact details (e mail address) of the person within your organisation responsible for these planned improvements.
