

Please can I have the following information, broken down by year and council ward, for 2021, 2022, 2023, and 2024 YTD

- 1) The number of complaints about dog excrement received by the council for each council ward.
- 2) The number of fines issued by the council for dog excrement in each council ward – and the amount of revenue raised.
- 3) Please can you also provide me with background information relating to whether any research or monitoring has revealed environmental problems in the borough which could have been caused by dog poo, such as water pollution or health consequences? If so, please direct me to the findings.

See table below

We are not aware of any research or monitoring in Wigan Borough that has revealed problems due to dog fouling.
