

## Request

I would like the following information:

1. I would like to know how much money the council has collected in affordable housing contributions under section 106 or community infrastructure levies in the years: 2023,2022,2021,2020.
2. I would like to know for the same years how much of the money was spent.
3. I would also like a list of the projects that the money was spent on.

## Response

Please see the below information in response to questions 1, 2 and 3.

The Council's normal practice is to secure the delivery of affordable units on site through Section 106, rather than through financial contributions.
