

I'm looking to determine the number of houses owned by Serco under the Home Office's Asylum Accommodation and Support Services Contract (AASC) within the revised boundaries of the Leigh and Atherton constituency.

1. Could you please provide the figures per ward?
Specifically, I'm interested in the numbers for Astley, Atherton North, Atherton South and Lilford, Leigh Central, Leigh South, Leigh West, Lowton East, Golborne, and Lowton West.
2. Additionally, would it be possible to break down this information into council and private stock that Serco has purchased?

Wigan Council do not hold information in relation to ownership. Request needs to be redirected to Serco.
