

## **Request**

I request a list of all public libraries run by your council between 2005 and 2022.

Additionally, could you please provide information on dates of opening and closure (with at least year-month precision) if they started or ceased operation over that period.

Lastly, could you please provide information on opening and closing hours of the library in that given year?

That means the final dataset would have the following columns:

Name of the library, address, date of opening, date of closing, opening hours in year 2005, opening hours in year 2006, opening hours in year 2022.

If collecting daily opening hours is not possible, annual opening hours are sufficient, too.

## **Response**

Please see attached response (.csv file).

Libraries transferred from Wigan Leisure and Culture Trust to Wigan Council in 2017. We do not have information available to us to confirm opening hours prior to this date.
