

**Request**

1. What is the current speed limit of the A58 Liverpool Road?
2. When did the current speed of said road come into affect?
3. Where is the speed signage, both current and previous, for the A58 Liverpool Road located?
4. When was the speed signage, both current and previous, installed? (When referring to signage, please give both lane's information separately if possible)

**Response**

30 mph

Information not held

30 mph speed limits do not require signage. Terminal signs, co-located 20mph/30mph are included where adjoining roads are 20mph.

Speed signage not required for a 30 mph road.
