

REQUEST 16163

Could you please provide the following information for each year from 2015 to the most recent year with available data:

- 1) The total number of heat pump planning applications received by your council broken down by heat pump type (e.g. water source, air source, ground source, shared loop ground source).
- 2) The number of heat pump planning applications that were granted broken down by heat pump type (e.g. water source, air source, ground source, shared loop ground source).
- 3) The average time taken to process a heat pump planning application, from submission to approval broken down by heat pump type (e.g. water source, air source, ground source, shared loop ground source) including specifying the longest and shortest timeframe.

RESPONSE

This information is available online using our [Search and comment on planning applications](#) facility. If needed, user guidance is also available on the same webpage
