

I am writing to request information regarding noise complaints associated with heat pumps in your area.

Could you please provide the following information for each year from 2015 to the most recent year with available data:

- 1) The total number of noise complaints associated with heat pumps broken down by heat pump type if possible (e.g. water source, air source, ground source, shared loop ground source). **Zero**
- 2) The associated outcome of the noise complaints, if possible. **Zero**
