Political campaigning in Public Spaces

| 7. Please state whether your council has an area in the town centre where people could put up a political stall (for example, a political party or campaigning organisation). | We have dedicated space to be used for concessions in both town centres, however, have never received any such requests for political campaigning. |
| 8. If so, would a fee be required? What is the amount of this fee? | Concessions that are selling a product are charged a nominal fee, other concessions e.g., charities aren't usually charged. |
| 9. Please specify if anything else is required for a political stall (eg public liability insurance, or completion of an application form). If there is an application form, please provide a copy of the form. | Public liability insurance required and completion of a risk assessment are both required for any approved requests. |
