

Request

- 1) How many residential properties are there in Atherton?
- 2) How many residential properties in Atherton are exempt from paying council tax on the grounds of being empty or unoccupied?

Response

10546

There are no "exempt" properties on the grounds of being empty or unoccupied but there are 39 properties currently receiving 100% relief at this present time.

Please note - If a property becomes empty and unfurnished the liable party may be entitled to a 100% discount for the first month, followed by a 25% discount for up to 6 months

If a property has been empty for 2 years or more the liable party will incur an empty property premium. Further details can be found on our website at
