

REQUEST	15966	RESPONSE
<p>We are interested in a comprehensive understanding of how road maintenance is organized and prioritized by local authorities.</p> <p>Could you please share information about the following if possible:</p> <ol style="list-style-type: none"> 1. What is the length of your asphalt paved roads? Could you give an estimate of the annual budget for resurfacing/maintaining them? 2. How often is the road and related asset condition assessed? When was the last time a report on the road surface quality was conducted? 3. Do you use a Pavement Management System (PMS), and/or other tools to make planning and coordination easy? 4. Do you have a full and comprehensive inventory of all the road assets (road signs, light poles, etc.) that the municipality owns such as location, condition, etc? 5. How many insurance cases were reported about car and bicycle damages/accidents last year due to the road condition? 6. How many reports or requests to fix road infrastructure damages did you receive from citizens concerning your roads last year? 		<ol style="list-style-type: none"> 1. 1,079km – budget for carriageway varies year on year depending on asset needs and available budget. 2. Annually – Summer 2023 3. Yes 4. No 5. 78 6. 2,653
